eat2eat partners with Mio.FM to bring curated music to restaurants during these difficult times.

Earlier today eat2eat and Mio.FM announced a ground breaking partnership to allow restaurants running the leading table management platform MaRc, the opportunity to enjoy a month's free subscription to the leading European music station, Mio.FM.

Restaurants will be able to register and access a music stream curated by DeeJay Gallo – one of Europe's premier DJs – who performs regularly at leading clubs in the region.

Speaking on the partnership, **Vikram Aggarwal, CEO, eat2eat** said, "We are delighted to bring some joy to our restaurants during this debilitating pandemic – Michele's music will enhance the ambience of your restaurants and you can access it by a simple click on our MaRc platform".

"Those who are of the belief that they can do and control everything themselves are dommed to fail" added **Michele Costantino (DeeJay Gallo), CEO of Mio.FM** (translating from the original German). He expanded - "As the services we provide complement each other perfectly, our customers will benefit from the expanded range of our service offering, as well as the extensive expert knowledge we bring to the market".

About eat2eat

eat2eat is the largest independent technology provider to the dining industry, focusing on enterprise solutions for the leading hotel groups world-wide.
